No espere tanto.

By Norma

El principio, sólo algunas páginas, hicieron que dudara de la novela. Pero al continuar se transformo en una bellísima historia con interesantes y bien descritos personajes que te enamoran, sobre todo Julián. La protagonista es casi humana porque la autora así lo ha conseguido, es decir sacarla de las letras y darle forma de mujer. Con los personajes masculinos pasó igual. Felicito a Ruth Lerga y le pido disculpas por no haber creído en un instante.
