"We all live in a cage of our own making. Edward the Hamster, during his short, uneventful life, expressed that truth better than any philosopher since Camus. No, wait. Not Camus. Sartre? No, I've got it. Kafka. Yeah. It's like Kafka woke up one morning transformed into a small hamster. "

—Stanley Bing

"[A] wicked little book... Actually quite funny, if you like dark."—Library Journal

\*An NPR Best Book of 2013\*

The darkly comic musings of a deeply thoughtful rodent—the perfect gift for pet lovers and anguished existentialists of all ages.

Edward is a hamster—yet he contains multitudes. Trapped in a cage with a wheel that taunts him with its meaninglessness, Edward records the existential ennui that is the sum of his short life. His diary is an extraordinary work, filled with profound meditations on the nature of captivity, the emptiness of life, and the irrational will to live. This dark, pithy, irresistibly witty diary, with illustrations by acclaimed artist Miriam Elia, makes the perfect gift for anyone on your holiday list. It won't take long before readers recognize that Edward is not just a hamster—he is a state of mind.

Do not buy the Kindle version

By Amazon Customer

Excellent content in the absolute worst digital implementation I've seen for an official Kindle version of a book. Illegible on a Kindle3, slightly better on an Android phone. Wish I would have bought the physical copy instead.

As Edward would say, "why exist?"

Life is Cruel and Empty

By RavenRing

2 Minutes into hunger strike. I am strong and determined.

5 minutes now. Beginning to feel weak.

The seeds. They are taunting me!

Edward the cynical hamster muses on the meaning of futility of existence and perfectly describes what my very brief chocolate strike was like.

Most of the entries are very short, but that is hardly surprising, considering the strain poor Edward must have suffered, forgoing food while writing all of those words.

Illustrations accompany many of the entries, but the more desperate entries are simply harsh words, black against the white of the page, begging the reader to imagine the darkness of his words all on their own.

This tale is not for the faint of heart.

Run and get this book

By Tootsie Baisi

It is about a 25 min read and I must have laughed out loud a hundred times. Was also fun reading it out loud to a friend and have them laugh too. There are also many life messages and dark places but this is an absolute do not miss!!!
