ETHICAL MARXISM: THE CATEGORICAL IMPERATIVE OF LIBERATION (CREATIVE MARXISM) BY BILL MARTIN PDF

This book aims to reinvigorate the Marxist project and the role it might play in illuminating the way beyond capitalism. Though political economy and scientific investigation are needed for pure Marxism, Martin's argument is that the extent to which these elements are needed cannot be determined within the conversations of political economy and other investigations into causal mechanisms. What has not been done, and what this book does, is to argue for the possibility of a rethought Marxism that takes ethics as its core, displacing political economy and "scientific" investigation.

Excellent work on Marxism and Ethics.

By Dan King

This is an excellent thought provoking book. It is an age where we are looking at the income inequality of workers vs the 1% and we can get lost in economics and extremist politics. Martin goes beyond the politics, economics and class, to issues of ethics, justice and freedom.
