Five Stars

It was required, so not much to say. You will need a separate WileyPlus purchase.

Book was in bad shape.

By jheikes

The book was everything I needed for my class. I was dissatisfied by the spine being in such bad shape that I was afraid it was going to fall apart before the end of the semester. This was a big concern also because I had rented the book. I felt the book was in bad enough shape that it shouldn't have been used as a rental.
