Beautiful book & study

By Reader & Writer

Great study. Beautiful book. For everyone who is concerned about the videos, they are available (until March 10, 2017 the videos are available), you can do the study for free by signing up to do the online study with Proverbs 31 Ministries. I just saw the first week's study on You Tube. Each week during the study, a video will be emailed to you. That is why I wanted to do the study now since the videos are free. If you want to do the study any other time, it would be a good idea to get a group of friends together and split the cost of the DVD.

Great Study

I have worked through a few weeks of this study and find it is very well written and personal as well. I have not viewed the videos that accompany it, but find the workbook very applicable and doable all on its own.
