Most helpful customer reviews

1 of 1 people found the following review helpful.

Another Great Addition to a Wonderful Series

By Joshua-Paul Johnian

This is another additional to a wonderful series. The writing and flow of the book is perfect for my 8 year old and if you were concerned there may be a bias according to the times and events this book is daring enough to address the questionable without casting doubt on the miraculous. It is a very honest approach to an important spiritual time in our nation and for the Christian faith.
