Not too useful, most of the material is covered in FA

By Zubair

I would suggest BRS over high-yield, but both are likely unnecessary. Reviewing ethics and biostats should be prioritized, which can be practiced using the various Qbanks.

Very good review book

By CBK

I would recommend this book to any med student who is looking to do well on mock boards for psychopathology and for step 1 boards. It's a well done review book.

Nice book. Well made.

By Eduardo H

It was really useful and well made. The information is good and accurate. Only use it if you have the time. It is not absolutely necessary but it's such a nice book. It has helped he throughout and I even read it again for Step 3. Such a cohesive voice.
