If you want to avoid the most common kissing mistakes and learn how to kiss like a pro, then this book is for you!

Read on your PC, Mac, smart phone, tablet, or Kindle device.

The prospect of kissing someone for the first time is crazy-scary-exciting. For most of us, it marks a step into adulthood, the first validation of our appeal to the opposite sex. That first kiss will go down in your history of "firsts" and you want to be able to recall the memory fondly. I imagined my first kiss to look like the kissing scenes on TV, with a handsome and charming partner slowly leaning towards my coy yet expert lips. But first kisses seldom have the advantage of a seasoned director and cameramen zooming in at precise perfect angles the way they do on TV. By virtue of inexperience and any real knowledge, my first kiss was awkward and clumsy. But yours doesn't have to be! By learning how to kiss - and how NOT to kiss - in advance and prepping for that special moment, your first kiss can be oh-so-much-more graceful and sophisticated than mine was. For this short read, I'm going to be your personal kissing coach. We'll leave no stone unturned, and by the end of the book, you'll kiss like a pro. Sweet, yet smooth; excited, yet confident; romantic, yet racy. So pucker up and let's get started!

Then we get into the real thing: prerequisite to be a good kisser, 5 common mistakes, how to fix these 5 mistakes and do it right, the breakdown of a good kiss, and finishes off with how to French kiss. Informative, Entertaining, and Easy to Read

By Chris C

Let me preface by saying that I've been told I'm a great kisser and have had no complaints. As a recently divorced man in my 30's, I'm always looking for ways to up my game. This book caught my attention because it was written from a woman's view.

I was pleasantly surprised by how informative, yet easy to read it was. I learned a few things along the way myself. I also enjoyed the personal stories that were included as well. I would highly recommend this book for anyone out there who wants to improve their kissing technique.

This book is as fun as it can get for kissing learners!

By Winzy C.

What a cutely entertaining book! It's fun, and it gives a hefty dose of humor to kissing realities. But above all, I like the touch of romance in Ava Malik's book "How to Be a Good Kisser". Truly, there's one magical thing that makes the perfect kiss, and it can never be faked. This book is as fun as it can get, a helpful but funny read for kissing learners. I recommend this book for a good laugh while learning how to be a fantastic lover.
