Treasure Trove of Information

By Ricquelle Landis

Inside Greatness is a high-quality e-book that is filled to the brim with useful information. If you are like me and have missed the online marketing bandwagon, this book has a lot of great tips by various authors. If songwriting is your thing, it has an extensive section on how to write a song – good stuff! It even goes into self-publishing a book. And stepping away from the computer, it gives you great tips and tools by different authors on how to physically, spiritually, mentally and emotionally balance your life. It even contains a mini recipe book! This book is a true treasure trove – I am highly impressed!
