## POEM

I heard of a man  
who says words so beautifully  
that if he only speaks their name  
women give themselves to him.

If I am dumb beside your body  
while silence blossoms like tumours on our lips  
it is because I hear a man climb stairs  
and clear his throat outside our door.

Leonard Cohen Mythologies Book

By Kindle Customer

My family loves Leonard Cohen. He such a great song writer and singer. His music soothes me and makes me think. He has so much symbolism and stories pored into everything he does. This book is very interesting and I am buying it for my Dad for Father's Day. I don't think he has this one and it is often sold out! If he does have it, I will keep it. I love it.
