You might not bring the published book Miss Merry's Christmas By Callie Hutton or pile the book in your house or the workplace.

MISS MERRY'S CHRISTMAS BY CALLIE HUTTON PDF

The Duke of Penrose is not happy with Miss Meredith Chambers, the American governess his new wards have arrived with. He quickly replaces her, happy to have his unwanted attraction to the unsuitable woman behind him. Until his mother hires her as a companion... England, 1817. David Worthington, Duke of Penrose dislikes Miss Meredith Chambers, the American governess who accompanied his new wards. He especially detests his attraction to the insufferable woman, and is anxious for her replacement to arrive. Merry is thrilled when the Dowager Duchess Penrose hires her as a companion. Now she can stay with her beloved charges. But can she ignore how her heart thumps when the pompous duke gets close? Two people determined to ignore each other, despite the pull between them, and the sparks that fly whenever they're together.

More Sex than I prefer

By FrancesG

This book has one very long, graphic sex scene (which I skipped over). I really don't like a lot of sex with a Regency Romance. Throbbing loins and melting insides just don't quite fit the genre started by Jane Austin and perfected by Georgette Heyer! But overall it was otherwise a sweet, feel-good Christmas story. The other quibble I had with the author was that the age of the children and their behavior did not quite jive. Eight and twelve year olds just don't hide in an adult's skirt, suck their thumbs or twirl their hair. Had they been four and six, it would have felt more realistic. No problems with the grammar, spelling or punctuation - which is a plus for an indie book. If you enjoy your romances with a lot of sex and aren't too fussy about a

proper Regency feel, then you will probably enjoy the book. Otherwise do as I did and skip over the offending parts and enjoy a cute story.

It was over in a flash!

By Gigi

I loved this book, but it was over in a flash, or so it seemed. That would probably be my only complaint, that there could have been a little more of the 'will they or won't they?'

The Duke of Penrose 'inherits' his best friend's two daughters and their brash, young, American governess, Miss Merry Chambers, who he thinks is incapable of raising his two young wards into proper English women when his friend and his wife are killed in an accident. So he decides to hire a more proper governess.

Years ago, his friend and the duke had both wooed the same woman, but Elinor chose his friend and the duke swore never to marry.

When Miss Merry enters his life, all he can see is a woman who will not accept orders from anyone, including a duke. What his mother, the Dowager Duchess of Penrose sees is a woman who brings out another side to her son, a side she feared was long gone, a more playful less stodgy side.

Her son is determined to hire a new governess to raise his young wards though and Miss Merry's days in the duke's residence seem numbered, so his mother decides to hire her as her companion.

Soon the duke realizes that perhaps his decision to never wed may have been a bit too harsh.

Sparks fly from the start. Merry & David are charming, as is this Christmas tale.

Enjoy!

Absolutely Delightful!

By Upstate

Take one arrogant, stiff-necked Duke with an inner, sensitive core, and pair him with a modern-thinking miss who speaks her mind and doesn't kow-tow easily, and you have the backbone of the romance in MISS MERRY'S CHRISTMAS. Once again, Callie Hutton has written a nicely-paced, romantic Regency read, with all the elements Regency fans like best. A prune-faced, cold-as-ice governess who has her eye on being the next Mrs. Duke of Penrose, :) and a Dowager Duchess who knows Merry Chambers would make her son a wonderful wife, are secondary characters who add to the general mix and mayhem of this lovely holiday story.

Bravo, Ms. Hutton!
