RUINED (THE SERAPHIM SERIES BOOK 1) BY SOPHIA STAFFORD PDF

For centuries, Azrael's sole purpose was to find her—and kill her.

And now he has her, just down the hall to be exact! So beautiful and fragile, she is so close he can almost hear her precious blood pumping through her veins. Blood he has been hunting for since the day he fell.

His mind is screaming, “Kill her. Stick to the plan, drain her blood, and ascend to Heaven.” But every fibre of his soul refuses to harm her.

If he won't kill her, what will he do with the beautiful Lilliah Daniels?

He smirks. He might be an Angel, but he's never claimed to be a saint.

I have strayed from the supernatural genre for quite a while so it was nice to get back into the swing of things with such an amazing book. Sophia managed to tell a story that was not your average one about the supernatural. It was nice to see a strong female lead in Lilliah.....she was given news that totally changed everything she believed in yet she didn't let it destroy her. She embraced it and threw herself into her new life. Azrael.....oh Azrael. I love a little angst in my male leads. He definitely was an alpha man/angel but we also got to see a softer side when he accepted his true feelings about Lilliah. With the H/h being such strong characters it was a given that the supporting characters would be just as amazing. Sophia did not disappoint. Rebecca, Benedict, Sebastian, Jeremy and even Dena (who I love to hate) all played important roles in this story. I hope to see more of each of them in future books **hint, hint Sophia**

Overall this was an outstanding book from a new author that I will be sure to follow.
