Dracula From Penguin Books](#) could accompany you during that time. It will not make you really feel bored. Besides, in this manner will also enhance your life high quality.

SHERLOCK HOLMES VS. DRACULA FROM PENGUIN BOOKS PDF

The year is 1890. A ship is discovered adrift off the English coast, its crew missing, its captain lashed to the wheel, and its only passenger is a sinister black dog. This impenetrable mystery is clearly a case for the inimitable Sherlock Holmes, but for the first time in his illustrious career the great detective is baffled. Clearly the crew has been murdered and dumped, but what can account for the captain's expression of imponderable terror and his acute loss of blood, or the ship's strange cargo: fifty boxes of earth? The game is afoot, and Holmes, aided as ever by the faithful Dr. Watson, finds himself on the trail of no mortal enemy, but the arch-vampire himself-Count Dracula!

Great fun, clever and well written

By Sean Brady

If you can suspend your disbelief that Sherlock Holmes can be convinced that vampires exist, then you'll have great fun with this novel. Author Loren Estleman has done a good job in replicating the tone and style of the Conan Doyle stories, and the way that he uses Bram Stoker's novel as the background for this story is very clever indeed. As anyone who has read Dracula will know, Dracula is "off-screen" for most of the book and Estleman has used this to his advantage. So while the characters in Stoker's book are dealing with the consequences of the largely unseen Dracula's actions, Holmes and Watson are dealing with him directly in London.

If you are a Holmes and Dracula fan, you should enjoy this book enormously. I had a great time reading it, and I definitely recommend it.

7 of 7 people found the following review helpful.

Clever pastiche; more for Holmes fans than Dracula fans

By ensiform

A rather clever retelling of the Bram Stoker tale with Holmes as a character, narrated, of course, by Watson, and purporting to be a part of the main canon. Estleman is good at recreating the Holmesian aspect: the boughs howling in moonlit graveyards, the gas-lamps' blobby light in thick fog, etc. He's done his research as to the period and the writing style, and it does work. (Less present is the macabre horror of Stoker's novel.) On the whole, it's a great idea, and the book presents Victorian thrills and action and chase scenes aplenty. Only the end of the book is a disappointment: in order not to rewrite too disruptively the Dracula side, Estleman must leave Holmes out of the finale altogether, making for a rather anticlimactic ending.

Ugh

By A Customer

Being a huge fan of both Sherlock Holmes and vampires, I pounced on this book when I first saw it. I expected great things from two of my favorite genres put together!

Alas, it was not to be. The story is only a rewrite of Stoker's "Dracula" with Holmes kind of thrown in for flavour. There is absolutely no point for Holmes' involvement and, in fact, the client who brought him the case in the first place just sort of disappears. The story remains more-or-less true to the original which, as I said, means there is no reason for Holmes to be there. The action, such as it is, is confusing and unnecessary. For example, a lot of space is taken up with a boat race which seemed like it was written in just to put some action in the story.

As much as I wanted to recommend this, I can't. A much better mix of Holmes/Dracula is Saberhagen's "The Holmes/Dracula File". Give this one a miss.
