I've been flipping through it periodically to entertain all my coworkers with bad puns and had them cracking up

Item arrived on time and in described condition. I've been flipping through it periodically to entertain all my coworkers with bad puns and had them cracking up. Some puns might be too old for some people to get, but still funny.

It's OK

By Barbmom

Not the greatest laugh but good for a few yucks. If the price is right it can also be a good coffee table or waiting room book.
