**HUNGER GAMES AND DIVERGENT LOOK OUT!!**

By LadyLox

Oh My Gosh! This series was the best I have read to far. It should be made into a movie because it would truly knock Hunger Games and the Divergent out of the box. The author did a great job making this futuristic world perceivable and believable. The fact that many of the character's die makes it even more real. This was one of the best roller coaster rides of my life and truly a great escape from reality. The story makes one appreciate the harsh world we live in today and gives us hope for a better future. Thank you Tarah Benner and I pray this series makes the big screen!

the best!

By Woodsever

If you enjoy dystopian fiction, you must read this trilogy! I have read approximately 100 dystopian fiction books and rate this easily five stars...and I'm pretty stingy with my rating stars! Ms Benner has a true gift for writing and keeping it interesting! I read each book in a day and love her writing style and ability to keep you in suspense. I

strongly recommend this book, as I did the first 2 in this series. No wasted adjectives and long drawn out situational angst....gets right to the point! I'm no teenager....I'm actually past 50 and rated many books....I know a good writer when I read one! The characters are great, imperfect and believable as are the situations and futuristic world they are living in! Again, blown away by Ms Benner! I can hardly believe it is being offered at so low a price. I see a movie here!!

wonderful read

By Nlds

I tend not to review books individually until the trilogy ends. This trilogy was fast paced and hard to put down. The author still owes me a night of sleep. The books made me cry and care and hope. There were losses and it would have felt wrong if there weren't. Despite being told by one person, I got a true sense of all the characters. Tarahs writing is very visual, and although it made me picture the gore a little too vividly, it played like a movie in my mind throughout. I would rank this as one of my top 5 in this genre.
