### Review

“Highly entertaining . . . Like Monopoly itself, the book unfolds in interesting directions, probing into lost Quaker communities, the early history of Atlantic City, and how a game originally invented to critique capitalism became its most diverting simulacrum.” ?The Boston Globe

“[A] fascinating history . . . The Monopolists lucidly weaves together a multifaceted story . . . [It] builds to an intense pitch--while highlighting several fundamental issues of capitalism.” ?Los Angeles Times

“A legal, corporate and intellectual whodunit . . . The tale, like the game, becomes a parable for American capitalism, with powerful players stamping out competitors and fortunes being made or destroyed at the roll of the dice . . . anyone who grew up playing Monopoly will have a hard time resisting *The Monopolists*.” ?Washington Post

"The tale is as infuriating as it is fascinating." ?Carlos Lozada, Washington Post, "The whiniest, funniest, creepiest and most memorable books of 2015"

“With more twists and turns than an Agatha Christie mystery, reporter Pilon reveals the tumultuous history of Monopoly . . . More entertaining than the game itself.” ?starred review, Publishers Weekly

“Pilon takes us on a jaunt through turn-of-the-century America, where we learn about such far-flung things as the origins of the price tag, the founding of Atlantic City, and the fact that one of the most coveted addresses in the game was home to some of the earliest gay bars in America. This is a must read for anyone

who loves the game, and really, who doesn't?" ?Erik Larson

"Briskly enlightening . . . [Pilon] has woven a plush, often humorous tapestry of board-game and social history. Even passages devoted to sick children during the Depression fail to deflate the book's buoyancy." ?New York Times Book Review

"What enormous fun this book is! Clever, engaging, finely crafted, and endlessly surprising--and revealing in passing much about the ghastliness of American corporate greed. Much like the game itself, indeed." ?Simon Winchester, author of THE PROFESSOR AND THE MADMAN

"Mary Pilon has discovered an enthralling story behind Monopoly, as much a history of our country as of its favorite game. She writes with the assurance and energy of a historian who knows she has struck gold." ?Gay Talese

"Mary Pilon's page-turning narrative unravels the innocent beginnings, the corporate shenanigans, and the big lie at the center of this iconic boxed board game." ?Stefan Fatsis, author of WORD FREAK

"Thanks to Mary Pilon's meticulous reporting and mellifluous prose, we now know the real story of the corporate greed and relentless cover-up that scars Monopoly, one of the most beloved and successful board games of all time. Finally, the truth is out." ?William D. Cohan, author of THE LAST TYCOONS

"The book abounds with interesting tidbits for boardgame buffs but treats its subject seriously. After reading The Monopolists--part parable on the perils facing inventors, part legal odyssey, and part detective story--you'll never look at spry Mr. Monopoly in the same way again." ?Booklist

"Pilon invests this surprisingly contentious chronicle with a dynamic mix of journalistic knowledge and subtle wit . . . A fascinating, appealingly written history of an iconic American amusement." ?Kirkus Reviews

"Thoroughly researched and deftly paced, this fascinating narrative is at once legal thriller, folk history, underdog story, and exposé of corporate greed, and deserves a wide readership among fans of Monopoly, critics of monopoly, and all who enjoy a good story well told." ?Library Journal

"This past November, a New Hampshire woman was charged with domestic violence for slapping her boyfriend during a game [of Monopoly]. The British royal family, Prince Andrew said in 2008, isn't permitted to play it at home because 'it gets too vicious.' All of these people, and my own family, and anyone else who has threatened to eviscerate a loved one over their income-tax accounting, should be required to read Mary Pilon's enthralling new history of the long, pitched battle over the origins of the game." ?Slate

"[A] dive into the real Monopoly." ?Flavorwire, "10 Must-Read Books for February"

"The true--and downright bizarre--origin story of one of the most popular games ever made . . . A brisk read, and the readability is considerably heightened throughout by the author's sense of outrage . . . Fascinating." ?The Daily Beast

"Few books can be said to have a transformative effect on the way readers look at a particular subject. Those that do often concern big subjects--books like Charles Darwin's 'On the Origin of Species' or Rachel Carson's 'Silent Spring.' While Mary Pilon's The Monopolists does not deal with matters like evolution or the environment, it nonetheless fits the bill. Irresistible . . . On the basis of this terrific book, Pilon . . . might just have a monopoly when it comes to writing on pop culture in a consistently enlightening, completely

absorbing way.” ?Christian Science Monitor

“A fascinating history . . . There's plenty of turmoil in this readable book. Read it, and the next time you're circling the board with your Scottish terrier you'll have a deeper understanding of Monopoly's enduring popularity” ?Booklist

“Pilon's research is deep, and it makes for a solid caper about corporate greed.” ?Bloomberg

“[An] intriguing history . . . Pilon is a prodigious researcher, and delves into great detail about the intellectual and business roots of Monopoly.” ?Financial Times

“Excellent . . . Mary Pilon revisits the sordid story of Monopoly . . . in glorious detail.” ?Mental Floss

“Engaging . . . there is plenty in The Monopolists to hold one's interest--not least, tips on how to win at Monopoly . . . it passes Go.” ?Wall Street Journal

“That history is interesting even if you don't love the game . . . The Monopolists is a quick, enjoyable read that takes less time than a game of Monopoly.” ?Minneapolis Star Tribune

“A deep dive into industrial and pop culture apocrypha . . . riveting . . . The book is superlative journalism.” ?Paste

“Smart and revealing . . . Pilon's refreshingly direct prose and ample storytelling skills make for a breezy, enlightening inquiry into the plight of an under-appreciated innovator.” ?The Rumpus

# **THE MONOPOLISTS: OBSESSION, FURY, AND THE SCANDAL BEHIND THE WORLD'S FAVORITE BOARD GAME**

## **BY MARY PILON PDF**

The Monopolists reveals the unknown story of how Monopoly came into existence, the reinvention of its history by Parker Brothers and multiple media outlets, the lost female originator of the game, and one man's lifelong obsession to tell the true story about the game's questionable origins.

Most think it was invented by an unemployed Pennsylvanian who sold his game to Parker Brothers during the Great Depression in 1935 and lived happily--and richly--ever after. That story, however, is not exactly true. Ralph Anspach, a professor fighting to sell his Anti-Monopoly board game decades later, unearthed the real story, which traces back to Abraham Lincoln, the Quakers, and a forgotten feminist named Lizzie Magie who invented her nearly identical Landlord's Game more than thirty years before Parker Brothers sold their version of Monopoly. Her game--underpinned by morals that were the exact opposite of what Monopoly represents today--was embraced by a constellation of left-wingers from the Progressive Era through the Great Depression, including members of Franklin Roosevelt's famed Brain Trust.

A fascinating social history of corporate greed that illuminates the cutthroat nature of American business over the last century, The Monopolists reads like the best detective fiction, told through Monopoly's real-life winners and losers.

By LA Reader

Writing seemed a little juvenile, and the story did not seem to justify the lengthy book. This topic seemed more suitable as an interesting article about the history, and trademark fight, over the board game Monopoly.

0 of 0 people found the following review helpful.

For those who want to know the story behind the ...

By zoe v.

For those who want to know the story behind the marketing myth that Parker Brothers put out about Monopoly this is well worth the time it takes to go through.

0 of 0 people found the following review helpful.

Five Stars

By Beth Cohen

Well written and easy read but very detailed in the telling.
