Great artbook!

By PBT

If you are into Japanese styled art, this book will be a great addition to your library of artists. Not one artist but two artists in one- brothers Kazuaki and Hiroyuki Kawashima (under an assumed single identity of Koh Kawarajima) make a great art duo, and their work is lively, vibrant and on point. This particular book doesn't have the standard sensual ladies or any nudes, etc. that come in many manga artbooks, so it should be suited for most ages. A little cleavage and booty is about all that seems "racey" in this one~

Good buy

Love it. Great art with some insight into the artists. Not a lot of how to, but more info on the why.

Manga Artists Vol 1

By Token

[[VIDEOID:moCZTHM1LS1AML]]This is the first volume of The New Generation of Manga Artists featuring the Koh Kwarajima Portfolio which consist of two different artist. Kazuaki Kawashima and Hiroyuki Karashima who go by the joint pen name 'Koh Kwarajima'. The art obviously consist of various anime or manga series such as Gundam and The Big O. As for the art itself, the colors are bright and the images are crisp and the pages are nice and thick. Most of the images are of pretty girls but only one is nude but even then it's not full nudity. I like this art book.

Now some words on the contents.

Pages 2 through 64 are all full color with some being partialy on the page, some full page and then some on two full pages.

Pages 65 through 73 are the artist sketchbook with some notes from the artists.

Pages 74 through 77 are the artist comments for the artwork on pages 2 through 64.

Page 78 has the credits.

Page 79 has the artists profile.

I recommend it.
