Awesome Resourceful Book

By Lori

Very Resourceful book. This book has a wide variety of scholarships to meet you at every stage of your educational level. Whether you are fresh out of high school, or going back, it's here. They even have scholarships you can apply for as early as middle school. I love how the beginning of the book list scholarship tools and information and the importance of applying for scholarships. I definitely recommend this book.

By Briscoe

Very helpful information. I think the layout could be greatly improved on, however. For example, in the section where the scholarships are listed by location, why not actually sort them by location? In other words, have all the scholarships applicable to Iowa grouped together. I don't need to sort through 150 pages of stuff that is mostly irrelevant to me.
